Give2Asia Hong Kong Foundation
Covid-19 May Day Thank You Hamper

• Hong Kong | 1 May 2020
Hong Kong’s fight against COVID-19 continues with no end in sight yet. During this fight, we must support the frontline workers who are putting their health and lives at risk to protect us all. We must also support those working hard behind the scenes identify cases and minimize community transmission.

To recognize them and to show appreciation for their selflessness, Give2Asia and our local partners in Hong Kong—in collaboration with the Hong Kong Hospital Authority—have successfully presented May Day Thank You Hamper to hospital and laboratory staff.

The first batch of 1,524 May Day Thank You Hamper is now being delivered to workers at public hospitals most impacted by COVID-19:

- Pamela Youde Nethersole Eastern Hospital
- Ruttonjee Hospital
- Queen Mary Hospital
- Princess Margaret Hospital
- Queen Elizabeth Hospital
- Prince of Wales Hospital
